March 2010 marks the 30th anniversary of the IEEE 802. The Plenary Session will be held during the week of March 14-19, 2010. All working group sessions along with all tutorials and calls for interest will be meeting at the Caribe Royale Resort and Convention Center in Orlando, Florida.

A mere 30 minutes from Orlando International Airport (MCO) the Caribe Royale offers IEEE 802 plenty of shopping, dining, cultural attractions, site-seeing, and nightlife in the area. Numerous exciting destinations, including the Walt Disney World, Universal Studios, The Titanic Experience, and the Orlando Science Center are all within easy reach of the Caribe Royale via car or shuttle service.

For more information about Registration, VISA Letters, the Basic Schedule and other event particulars please see the web portal, <http://ieeee802.facetoface-events.com/plenary>.

Message from the IEEE 802 Executive Secretary

Session Registration: Any individual who attends any part of a meeting that is a scheduled part of an 802 Plenary Session must register for the full session.

Registration is available through a secure website. Session registrations are not transferable to another individual or to another plenary session. If you register for an IEEE 802 session and then are unable to attend, you must request cancellation of your registration before the cancellation deadline to be eligible for a refund of all or part of the fees paid.

Web registration requires valid credit card information for the payment of the registration fee; checks are NOT accepted for web-registration.

Register for this session at: <http://ieeee802.facetoface-events.com/plenary>

Email Distribution List

We only provide e-mailed session announcements. Session information will continue to be available on the IEEE 802 web site at: <http://www.ieeee802.org/meeting/>. Please check this site for registration info and possible late updates. We also have an email distribution list. To join this list and stay informed, send email to listserv@listserv.ieee.org with no subject and with the following 2 lines appearing first in the body of the message:
